Name of CEO : **Mr. Abhishek B Kansara**
Year of Establishment : **2002**
Nature of Business : **Manufacturer & Supplier**
Market Covered : **Domestic**

Copper Rod

Specification

We have large production facilities for the production of Drawn Round Rods in various sizes and shapes according to the demand of the customer. The Copper Rods, we manufacture, are checked by quality assurance department to be sure that, what client gets is the best. Today, we have positioned firmly ourselves as one of the leading Solid Copper Rods Manufacturers and Suppliers.

Sizes : 4.00mm to 25mm

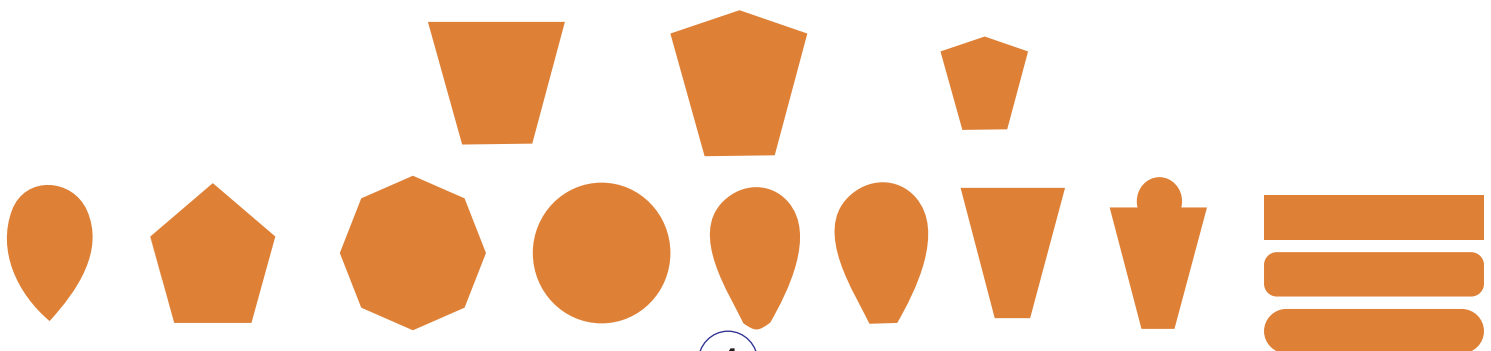

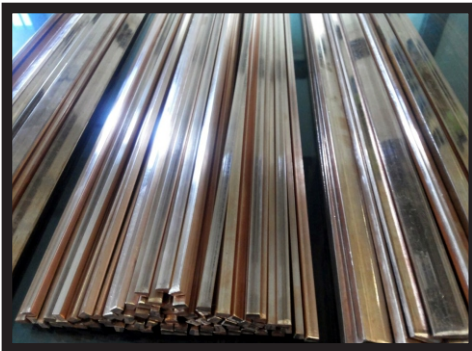

Product Specifications :

We have large production facilities for Drawn Round Rods in various production ranges of sizes and shapes for Electrical Engineering.

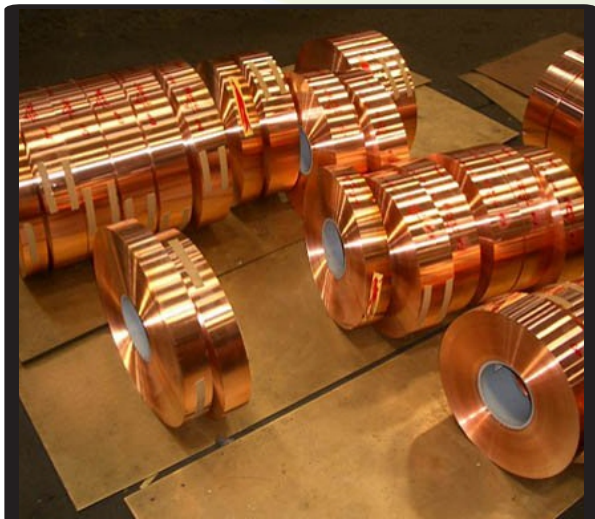

Submersible Section

Types of Submersible Sections : V-3, V-4, V-5, V-6, V-7, V-8, V-9, V-10.

We offer Pentagon type Shape Copper Sections which are mainly used in submersible pumps conductor rod, made to exacting IS and other national and international standards.

Copper Strip

Specification

We offer optimum quality Copper Strips that are manufactured from high grade of copper. This Industrial Copper Strip is widely used in various industries. We have a well facilitated infrastructure, which enables us to deliver copper strips in most compatible price structure, thus establishing us one among the appreciated Copper Strips Manufacturers. Our copper strips are available in various sizes as per the different needs of the clients.

Thickness : 1.00mm to 10mm

Sizes : 5mm to 35mm

Copper & P. B. Sheet

We Offer Copper & Phosphorous Bronze Sheets are available in standard width and length as per the needs of various industries. Copper & Phosphorous Bronze Sheets are manufactured from high-grade copper to assure their high performance. Abiding with various national and international standards, we design Copper & Phosphorous Bronze Sheets as per the strict quality norms. With a hard working team, we are able to stand among the key Pre-Wound Copper & Phosphorous Bronze Sheets Manufacturers.

Sizes : 12 inches x 48 inches / 14" x 48"

Thickness : 10swg to 30 swg / 0.30MM to 3.00MM

PB Sheets Are Available in Grade - 1, 2, 3, 4

Copper Sheet are Available in E.C. Grade

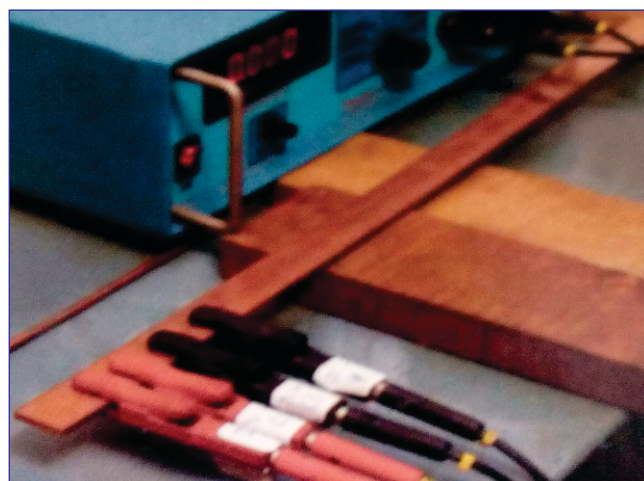

Conductivity Meter

Elongation Meter

Hardness Tester

Resistance Meter
